

Expresswood (Hemlock)

Panelling

Modern expressions

Expresswood by look and by nature. Create almost any look with eight different colours, seven of which are washed. Expresswood Hemlock Panelling is a feast of colour and variety at your fingertips. It's timber and colour all in one. Hemlock, cut with vertical grain, guarantees excellent, trusted stability.

Expresswood features and benefits

- No sanding, painting or ongoing maintenance required
- Secret nail tongue and groove profile for a perfect finish
- A stylish and futuristic look
- Plenty of colours to choose from
- Complemented with matching trims and external corner mouldings
- Pre-finished and ready for use

Expresswood is ideal for

- Ceilings
- Feature walls
- Retail store features
- Commercial fit outs
- Office suites
- Alfrescos and soffits
