# **NOTCHKA SALE CONDITIONS & WARRANTIES**

---

## **WARRANTY**

### **FAULTLESS HARDWARE WARRANTY**

**Faultless** warrants to the Purchaser that their products shall be free from defects in material or workmanship for a period of one year following purchase from an authorised **Faultless Dealer**. **Faultless**' sole obligation under this warranty shall be to repair or replace the products, which **Faultless** determine to be defective during the warranty period. The warranty does not cover products which malfunction as a result of improper installation or misuse, and no liability will be incurred by **Faultless** for consequential damage or for repairs by Third Parties without authorisation.

### **OTHER MANUFACTURERS' WARRANTIES**

Other manufacturers' warranties will apply as per their company policies. Please enquire.

### **ELECTROPLATED FINISHES**

The finest protective coatings available are applied to the plated surfaces of the Company's brass, bronze and other antique product finishes. However these coatings have their limitations and in time the protective lacquer may deteriorate from exposure to weather, perspiration, extremes of climate, frequency of use or other factors. Tarnishing or excessive wear of these finishes is therefore **not** a defect but considered a normal ageing process over time.

Under these circumstances, these finishes cannot be guaranteed and the goods will not be repaired or replaced under the Company's warranty on account of tarnishing or wear of finishes.

***All prices are ex GST and subject to change without notice. Errors and omissions excepted.***

*Revised 13/5/2014*

<b>KEY TO PRODUCT FINISHES</b>			
<b>CODE</b>	<b>FINISH</b>	<b>CODE</b>	<b>FINISH</b>
ALUM	Aluminium	HDG	Hot Dipped Galvanised
BP	Brass Plated	MF	Milled Finish
CA	Clear Anodised	NP	Nickel Plate
