

Half Log

Cladding

Rustic and natural

Be at one with nature. Our Half Log external cladding evokes the warmth and cosiness of a traditional log cabin. Made from Western Red Cedar, this profile is the ideal choice for a natural and cabin-like character. The half logs are consistent in size, giving a uniform look to the cladding.

Half Log features and benefits

- Generous round profile gives a rustic log cabin effect
- Consistent sizing maintains straightness and uniformity
- Western Red Cedar means excellent durability
- Contains exceptional thermal properties
- Available in thick-lapped or tongue and groove finishes

Half Log is ideal for

- Log cabins
- Outdoor constructions: saunas, gazebos, garden cabins
- The mountain home
- Bush retreats
- External cladding for general housing
- Feature walls
