Weatherboard

Natural all-rounder

Supreme versatility, timeless appeal. Our Weatherboard is an attractive traditional cladding that has stood the test of time. This Western Red Cedar weatherboard (also known as 'Beveled Siding') is cost-efficient and usable in a wide range of applications. Its rich, natural beauty gives a much-loved effect to a variety of constructions. Choose from smooth or rustic finishes.

Weatherboard features and benefits

- STK W/B is kiln dried for maximum stability and minimal shrinkage
- Contains good thermal properties and proven durability
- 190mm board guarantees 170mm coverage
- Sourced from sustainably-managed forests
- Premium tight knot grade available
- Available in Dressed Face for a smooth finish (DF)
- Available in Bandsawn Face for a rugged, natural texture (B)
- Various sizes of end stop available

Reversible Weatherboard is ideal for

- External cladding
- Cottages, cabins, studios
- Garages, sheds
- Rustic effects
